For Superintendent of Public Instruction—Miss
AUGUSTA WAITE.

## THE COUNTY CANVASS.

Local candidates excite the only interest in the political canvass. Let the election occur on a State issue and on State officers the canvass is lukewarm and does not possess energy. The local candidate or the other hand, by the aid of his friends, provokes a general interest in the county. His candidacy may have different aspects-there may be local pride or locality, or some local dates draw out the interest and enthus- ticket. iasm of the voter. The Republicans have a jealous pride in sustaining their candidates. The party spirit and en- the wast cheering account of the pros- mighty God that His aid may be given vote for no candidate for congress, or went off peacefully, save where an atthusiasm is kept up in aid of the local painful to the average politician or patriotic citizen. What seemed an irreand the campaign has fallen flatter will all give Republican majorities. than a Jersey pancake. The bolting The opposition to our ticket in Dodge gang attempted to usurp the functions City is melting away before the super of the Democratic party-in other words they attempted to "put a head" on the fore an April sun. Let the good work Democratic ticket, and failed to make it stick. The truly, rurally, loyal Demcerats wouldn't stand the uncermonious and unkind manner of possessing the uine Democratic article. Since this event there is a lag and a lack of in- Rush, renders that result no longer terest in the county canvass. The doubtful. Now let the Republicans of the indifference in the canvass. The sult is to see that a full vote is polled. Republicans are canvassing earnestly and quietly with great show of success and a probable majority of 400 votes, used as a catspaw to pull the democrat-The Democrats by alienating the offer- ic chestnuts out of the fire, has withed allied support stand in great confu- drawn as a candidate for Representasion. Ford county will give several hun-

THE NATIONAL REPUBLICAN dred Republican majority. This is no boast or idle statement. There are of tears. facts to warrant the assertion.

> The present is practically the most important political campaign that has ever occurred in the history of the county, for several reasons. It is practically the first time that political lines occasions Republican or Democratic ton City? tickets have been nominated on one side while on the other, mixed or socalled peoples' ticket have been opposed to them. Personal or local questions entered into the various contests, and men felt free to vote their personal preferences without regard to their po- Againlitical convictions and the results were no index to the strength of the political parties; but in the present contest the lines are plainly drawn, and both parties have presented tickets and ask the support of their followeas, and in order that the Republican party may be nerved for future contests and to the end that the destinies and interests of the county shall be in the hands and controlled by the Republican party, it is important that we shall succeed. Party pride demands that Ford county shall take her place among the noble sisterhood of Republican counties of the state. The ticket demands it. In point of true merit, qualification for the respective position and in every thing that goes to make up excellence, every name on the Republican ticket is

There is no reason why any Republican should not vote the straight Republican ticket at the coming election. are counted we confidently expect to the traffic in poisonous drinks, the e.record a grand Republican triumph.

The general enthusiasm among th Irish American element over the Repub- to do nothing more than we propose dolican national ticket is one of the most singular features of this strange camgo on, keep the ranks steady, the troops paign. It is only a few years ago that the public avowal of Republican prin- legislation, those engaged in this busiciples by any prominent Irishman was so uncommon as to create general comparty with brains and energy, and con- the presidential contest, the gallant ment in the newspapers. And the sequently displaced or decapitated the John A. Martin is sweeping everything connection of a Catholic Irishman with proffered head by substituting the gen- before him and the settlement of the Republican party was, until lately, regarded as both religious and political happiness of themselves and families. apostacy. Now thousands of Irishmen in every portion of the country have lines are drawn purely on the general old Ford rally around their county openly declared for Blaine. In New questions of politics, and hence the apticket with such a sweeping majority as York, on last Thursday evening. there parent apathy. But the brains, the en- shall tell the people of the state that was an immense demonstration numberergy and the enthusiasm offered to the this is one of the reliable Republican ing in the andience more than 10,000 Democratic ticket having been ruth- counties of the state. All that is Irishmen, who have heretofore voted lessly thrown aside, may account for needed to bring about this desirable re- the Democratic ticket. The principal address was made by Alexander Sulivan. front in postoffice block. the late president of the Irish land league of America. The speech was one of the most brilliant and powerful of the campaign, and elicited the most enthusiastic applause throughout. Mr. Sullivan said he opposed Gov. Cleveland's election to the presidency "because he is intellectually too small for the great office to which he has been nominated; because he is an unknown quantity of statesmanship, and over and above all, because he cannot be trusted on the great question of American industry." The men who occupied the Inactivity of the Liver, Billiousness, stand during the delivery of this interesting address were the most prominent Irishmen of New York—men who are prominent by reason of their ability and devotion to the cause of Ireland, and as office holders. Seeing that honiand as office holders. Seeing that honied words will no longer influence the Irish element, the New York World has taken to abusing them like a very drab, and it accuses Mr. Sullivan of having deserted the Democratic party for monstrution is subject. It is a sure for the monthly troublest that so many women suffer. Price 50c. Sold by E. R. Garwill prove as powerless to influence the
